

KABASSI
Healthy Greek Food

AMFIPOLIS HONEYES.

Considered as a top health food across the globe, Honey is a one-ingredient recipe made by bees, flowers and mother nature herself.
Our exquisite line of honeys is produced in Amfipolis, in a modern processing plant of about 1000 hives, under the care of the most experienced and specialized apiarists and food technologists, engaged in apiculture for over 35 years and serving the bees with love, passion and respect.
